Submitted to His Highness -

An appt had been long attached to the Genl's Office and is included in the sanctioned scale of establishments - For some time there was no Office appointed to this duty as there was a Dy Inspr General of Police till Mr Hume might who held that post here though temporarily was transferred to the charge of the Jail Dept - Mr Venkata Varadiengar who was officiating as Superintendent of Police did not want an appt. But the present P.G. Mr Madrait wants one and has often urged the necessity upon Govt. After carefl consideration I have come to the conclusion that the old order of things must be restored and the full sanctioned establishment of Officers sanctioned. The Councillors are agreeable to this proposal as also to the other which is dependent upon it of transferring Mr Nagar Subbarai B.A. Asst to the Kadur Distt to the Office of the P.G. in Bangalore and of the transfer of Mr C. FROM

~~THE~~ INSPECTOR GENERAL OF POLICE IN MYS

To A. V. Narsimhayya Esquire M. A. M. L.

~~THE~~ SECRETARY TO THE GOVT. OF MYSORE,
in the GENERAL AND REVENUE DEPARTMENTS.

SIR,

I have the honor to
hear, that my predecessors in
manent charge of the Police Depart-
ent, have already explained the
cessity for the Services of a Head
arter Assistant in my office, and
need not therefore reiterate in
tail, the reasons already set
rth by them, but I beg to
plain below briefly the important
ins of work which have to be

with efficiency, and without
unnecessary delay

a) Head Quarters office.

Several routine papers
such as applications for leave, from
Inspectors, indents for Clothing —
Stationery and furniture Etc. from
Districts, a large number of travelling
allowance and other bills, Force
Returns, Disbursement Statements of
the Police Force of the Districts, Itinerary
return of Inspectors, Progress reports
of heinous offences, and first
intimation reports of Crime Etc.
are every day received in the
office. Most of these papers, which
are of an ordinary nature can be
disposed of, and Correspondence
Connected therewith attended to at
the Head Quarters, references
were made by the Deputy Commissioners

n important subjects, and all
e reports of Crime being submitted
me for orders.

Criminal records
Cases thrown out by Magistrate
n account of the irregularities of
Police in their investigation, and
ecords connected with the dismissal,
uspension, and degradation of
Police Officers, and men who
ppeal to this office for re-
Consideration, or revision of
rders passed by the Deputy
ommissioners, are sent for by
his office. The Services of a Head
Warden Assistant will be
ighly useful in preparing
emoranda, and Submitting
hem to me for orders, as well
s in the Compilation of the
Administration reports and
eturns received from the Districts.

(6) Head Quarter Police Stores.

The charge of the Head Quarter Police Stores is an important item of work. Annually Rs 56,000 are expended on account of Clothing and equipment of the Police force. It is necessary that there should be an officer of some position and Status to study the details of the working of the stores; and to suggest improvements, as well as to exercise a strict supervision, over the supply and issue of clothing, and other articles. It is absolutely necessary, that a Separate Stores should be maintained by the Police — Department, as it is not desirable

absorb it in the Military Stores
the quantity and quality of
ticles required by the Police are
ite distinct from those of the
ilitary Department. Even in
adras and other Provinces
ch an institution is separately
aintained. If on the Contrary
is merged in the Military
rce, it is not likely that our
quisitions will be as readily
d promptly attended to, as
present. There appears to be
object in abolishing the
ir Stores as no Separate Estab-
lishment exists for the purpose,
d therefore no Savings can
effected by such a Course.
onsidering all the Circumstances
am decidedly of opinion
that

that there should be no change in the present state of things except that a responsible office who will be in charge of the Head Office, should look over its working. I believe this question was once brought before Government and on economical grounds the present system was ordered to be continued.

The charge of the Head Quarter Police Training School, Special Reserve force, and the Railway Police, from Bangalore to Nanjangud, devolves on the Head Quarter Assistant, and you will agree with me, in considering that the above institution and the forces are

also

too important enough, to requir
e attention of the Assistant, for
those Services I have applied.

With regard to the
his Training School which is
mporarily closed it will
are to be reopened. I shall
ddress a Separate Communi-
cation to Government in view
reopening it, as its usefulness
as been established beyond
ny doubt.

The Railway Police is
t present under an Inspector
ithout any Supervision, and
t is imperative that an Assistant
hould have Control over it, so
s to be able to Scrutinize
he Crime returns Special diaries

and Progress reports of Cooks, to issue prompt orders when necessary, to frequently inspect the men, and to attend to the efficient management of the work Connected with it.

There is no Circular order book in existence, as far as this Province is Concerned. An attempt was made to Compile all the Circulars, on the same lines, as the one published, by the Inspector General of Police, Madras. The work was once attempted, but for want of a competent and responsible officer, it was given up.

It may not be possible for me to attend to the details of the working of the Head Quarters

Quarter Office, as above described.
When I am on tour in the Districts,
on account of inspection, the
work in the office will to
some extent suffer. if no one of
the position of an Assistant is at the
Head Quarters; in the absence of
me all papers will have to be
submitted to me to camp and
after orders are passed on them
they will have to be returned to the
Head Quarters for resubmission
with necessary drafts and fairs
for approval and Signature
as the Case may be. All this
means unnecessary delay, which
should be avoided in the
efficient discharge of work in

may be inconvenient, for an officer who is often required to be absent from Head Quarters on tour of inspection, to attend to the disposal of routine papers that are received daily. All these papers were attended to by the Head Quarter Assistant during the time of my predecessor the Inspector General being free to move out in the Districts to check the working of the executive force to issue Circulars on important points noticed by him, to remedy defects, to suggest improvements where needed - and to discuss with the Deputy Commissioners and Superintendents of Police on matters requiring

Consideration.

consideration and orders. In accordance with this view the Government were pleased to allow the services of an Assistant during the tenure of office of my predecessors. The last Officer who was attached to the Inspector General's office was Mr. Hume Wright and on his transfer no officer was deputed to work in the Police Department, nor is there any record to show that any application was made therefor by the Acting Inspector General of Police. It may not be out of place to state here, that the Excise, Forest and Educational Departments are each allowed an Assistant

to

to work under their respective heads,
and I may be pardoned for stating
that the Police Department, on the efficient
working of which depend public peace
and the security of property and life,
is neither less important, nor the
work therein less heavy. Finally I may state
that in all the Provinces in British
India, one or more officers are
attached to the Inspector General's
office according to the nature and
quantity of work devolving thereon;
and that this Government also contem-
-plates similar assistance being granted
to the Head of the Police Department
is evident from the provision
made in the draft Police Regulations.

Under these circumstances,

I

I beg the Government will be pleased to place the services of one of the Officers now being in the Department at my disposal for being in charge of the Head Office, an arrangement which in my humble opinion seems indispensible. On receipt of Government orders sanctioning my proposal, I shall be glad if the Government be pleased to give me an opportunity to suggest the name of one of the Officers now in the Department for the post of the Head Quarter Assistant.

I have the honor to be,

Sir

Your most obedient Servant

With reference to your docket No: II29 of the 6th instant and subsequent order of Government - No:J.I230 of the I4th instant , I have the honor to submit for the consideration of Government that according to the sanctioned scale and budget provision there ought to be eleven officers (five Superintendents and six Assistant Superintendents) attached to the Police Department , besides the two Probationary Assistant Superintendents . There are now only twelve officers all told , and one vacancy --- exists in that of the Office Assistant , as no one was appointed after the transfer of ------

Mr: Hume Wright as Superintendent of the Government Press and the Central Jail . It is needless for me to reiterate how essential it is to have a Superintendent or an Assistant Superintendent attached to the Head Office to attend to office work during my absence on circuit and to be in charge of the Training School , the Stores , the Railway police , and the Special Reserve Police Forces in the Districts of Bangalore , Mysore , Tumkur , and Shimoga (vide my letter No:890/68 of the 2nd September 1902) .
